

## COPYRIGHT INFORMATION & INFRINGEMENT

All contents of the website, blog posts, main texts, captions, and ideas are the intellectual property of Ms Aishwarya Krishna Priya, individual writers and contributors of ACRO Mental Health & Wellness and Creative Species Group and are copyright protected. We have ensured to reference all our work to avoid plagiarism or copyright infringement of other authors, designers and content creators to give the concerned person or team their due credit.

Additionally, the audio-visual content being produced for ACRO Mental Health by Aishwarya Digital Studios solely belongs to Ms Aishwarya Krishna Priya, Mr Sashi Preetam, and their group companies. Please be informed that the content is routinely reviewed by qualified mental health and media professionals before being published.

We have used photographic and video-graphic references of content that does not infringe on anyone's IP nor belong to us in some cases, as all images photographs, videos chosen for representation purposes are royalty free images available on Google Images, Unsplash.com or Shutterstock.com

Any unauthorised copying, publishing, or circulation of the website's content is illegal and will be subjected to legal consequences as per the jurisdiction of the Indian Copyright Act in Hyderabad, India.
